So his wife came here, and I got her a job  
at Palani's place as a maid  
And she got killed by her own son

Own son?

KRISHNAPPA

Yes

I was a watchman there and we  
both started to like each other  
But that Periyavaran forced himself on her  
and she gave birth to a baby  
But, Periyavaran refused it.  
That is when Palani's drug empire started  
He made me an inspector so that  
there will be someone in the inside  
And to store the mall he built an orphanage  
He made Shanthamma the in charge of it and she agreed  
She treated all the kids equally  
She was so involved that she forgot about me

Bastard killed his birth mother

When I got to know about it  
I asked him but, he attacked me

RAVANA

The mall is missing from storage

JACK

Missing? I believe it's Judas

RAVANA

Judas

I have done so much for him  
That is why he was refusing to  
join us

JACK
