24. INT. DARK SPACE - UNKNOWN TIME

Adi looks at a closed door in front of him. He opens it and enters.
The door closes behind him. He is now in a dark foggy room.
He notices a mailbox- WHOOSH! An envelope flies out landing at his feet.
He picks it up, opens it and finds a card with some symbol behind it inside.
He sees the face of the card- Shocked and scared- Throws it away.

ADI

No! No! No! No!

Adi spins and looks at Kriti holding Ved. Their faces begin to warp.

ADI *(desperate)*

Kriti... Ved...

Desperate, he falls to his knees. The air gets thick as more fog rolls in.
He smiles like a maniac- slaps himself- cries- laughs. Mixed emotions.

ADI

(smiles like a maniac)

(slaps his face)

Edhelu! Idella bari kans aste --

(slaps again) Illa... Neen... neen kudidya

(nods in agreement) Edleu *(slaps)* Edleu

Inmunde yavathu kudiya!

Illa... Sleep...

Sleepwalk madtidini aste

(slaps again) Huu... Mathre...

Idella aa mathre inda ne

Idella hallucinations aste

(pulls hairs)

Saaku malgid edhelo!

He covers his face with his palms, crying loudly.

Abruptly- Sounds of flames.

Through his fingers, he sees a door- glowing faintly.

He hears faint chants. He turns to the other side and sees-

A massive **PYRE**, with a **SHADOWY PRIEST** sitting in front of it.

Low chants echo across the void. The priest lifts his head.

He has NO FACE- Only glowing eyes and a bold white glowing **Naama** on his forehead.

He throws **Bhasma** into the pyre- The flames roar.

FIRE TRASNITION:

Adi gasps, his pupils dilate- Takes a few steps back and runs out of the door.

CUT TO:

25. EXT. RED FIELD - UNKNOWN TIME

Confused, scared, terrified- Adi is running in an open wide field- A hellscape. The ground is red. The sky is red. The clouds are red. The thunder is red.

He runs and runs and runs and stumbles into a bush- Looks around and hides gasping- With quite heavy breaths.

He is Attentive. Slowly- A bunch of **Ghostly hands** emerge behind- pale, translucent, eerie. Suddenly-

They grip his face, arms, chest, smothering and gagging him. Two hands hold and pull his head back. Another hand holds and burns his arms.

He struggles- Choking and suffocating. With all his might, he grabs the hands and rips them off his face, freeing himself.

Panting, he gets up and sprints across the red field- With two RED SUNS in the blood-colored sky- And a swirling dark vortex spinning eating the space itself.

He looks back while running breathless- Suddenly, he tumbles into a huge tree in the middle of the field. Hits his face and falls to the ground.

A thunder wakes him up. Slowly, he gets up scared and confused. In the distance- ghostly silhouettes shuffle like memories without bodies.

A soft voice echoes through the wind.

THE VOICE (O.S.)

(echoing with reverse reverb) Adi!

Adi turns towards the voice- Tears fill in his eyes.

It's his father- Calm with a soft glow. Standing with a welcoming smile.

FATHER (echoing)

Adi!

ADI (teary, weak)

Appa? En agtide nange?

FATHER (gentle)

Hedrubeda!

Idu prakruthiya niyama!

A huge raven flies and sits on a branch of the tree.

Suddenly, **black sesame seeds** appear around Adi's mouth. Confused- He brushes them off, putting them on the ground. The raven flies and begins eating the sesame.

A loud thunderclap rips the sky. Adi breathes heavier. His stomach growls.

FATHER (smiling)

Hasiv agtidya maga?

CAMERA PANS up from his stomach to his face.

ADI (childlike, tearing)

Appa... Hasvagtide!

FATHER (smiling)

Asthu!

A purple, translucent being appears beside him - tall, divine, with golden armbands, and a radiant crown.

ADI (*sacred*)

Yaar neenu?

BEING (*calmly, divine*)

Naanu Vasu... Pitru Deva Vasu

Adi's stomach growls again.

VASU

Idu ninage!

Vasu lowers his hands and offers him a **ball of rice**.

Adi hesitates- His stomach growls again. Finally, he takes it and eats it.

VASU

Nee ee lokakke seridavanalla
illi baralu ninage
innu ondu Samvatsarada kalavide

ADI (*scared*)

Lokha! Yaav jaga idu?

VASU

Idu Pitru Loka

Vasu disappears into thin air like vapor.

FATHER

Adi... il nodu

Suddenly, a ghostly hand slides down his shoulders from behind. He notices it.

FATHER (*shouts*)

Adi... nanun nodu

Scared and shaking, Adi looks at his father.

FATHER

Kannu nan mel idu

Three pitru demons are standing behind Adi inspecting him.

FATHER

Hedrubeda! Naan nin jagadal idaga
Nan thande nan jagadal idru
Iga ninig naan il idini
Munde Nin maguvige neen nanna jaga dal irtya
(*smiling*) Idu Prakruthi Niyama!
Sathya sveekaara madi... Avanotige Horadu!

Trembling and confused- Adi is looking at the ghost of his father. The father gives him a last smile.

FATHER

Naan Mathe sigtini mathadodakke tumba ide

The father slowly tilts his head and opens his mouth wide. The father's eyes turn white, and a bright red flash erupts from his mouth. Expanding into a long red beam of light- Forming a portal. The portal comes closer and passes through Adi.

Adi is back inside the unknown dark void.
