He takes a few steps back. The lights go off. There is no one around expect him.

The lights turn on- off- on- off- on- off- He hears the switch being toggled.

He turns towards the sound of the switch. It is Ved, standing with his head down in a creepy position with his hand on the switchboard toggling the lights.

ADI (*breathing heavily*)
(*confused*) Yaar adu!?

VED (*smiles*)
[LOWANGLE] Nimma maga appa!

ADI (*tears*)
Ved!?

With each frame of light and darkness, Ved's face turns abnormally.

VED

Adre in munde!

Suddenly, Ved disappears. Adi looks around. BHAM! Ved appears right behind Adi.

VED (*demonic face - maniac*)

Naan nim maga alla!

Light goes off again and Ved is on the stairs. He begins to run up the stairs.

VED (*demonic*)

LET ME GO DADDY!

Adi runs behind him up the stairs.

24. INT. HALLWAY - CONTINUOUS

Adi reaches the top floor. He sees Ved run into a room. SLAM! The door shuts.

He opens the door- Each time, in a different place. This occurs repeatedly.

He grabs the doorknob and opens the door. The door opens into a dark void, and he narrowly escapes falling into it. The void is filled with door loops.

He slams shut the door and stands confused breathing heavily with his back against the closed door.

He notices something on the other end of the hallway- A ghostly old woman sitting on a **wheelchair**.

OLD WOMAN (*ghostly*)

Adi! muchi hogiro bagilugalanna
mathe tegdu

The old woman's ghost stands up from the wheelchair.

OLD WOMAN (*ghostly*)

inastu nov madkobeda maga

He is shellshocked and unable to move. Suddenly, the old woman floats towards him, lifts her hand taps her fingertips on his forehead.

OLD WOMAN (*ghostly echo*)

Jaale inda ache baa

He freezes like a statue as the world starts spinning behind him.

OLD WOMAN (*ghostly echo*)

Sathya na sweekara madu

He takes a deep breath- Camera enters Adi's eye which is now a Loop de loop.

A high beat EDM plays with Epilepsy graphics takes over the screen- Statics.

CONTINUOUS TO:

25. INT. TELE ROOM - NIGHT

Everything is radio static. The camera zooms out of the **TV** with static sounds. The camera pans to show Adi passed out on the floor, unblinking and sweaty.

Camera closes on his face. Suddenly- He jolts awake and gasps for air.

He sits on the ground- Coughing with a dry mouth- He wipes his forehead sweat with his arm- Sees a half-burnt doobie between his fingers.

He tosses it away, blinks hard and smiles in confusion.

With a dry mouth- He coughs and licks his lips, parched and groggy. He looks around- Finds the **TV remote**- Turns off the TV.

ADI

Ugh! ...Neeru!

He looks around and sees debris from Scene 17 [*Callback - Scene 17.*]

The TV turns on automatically with radio static. He switches the TV off again.

BZZZZ- The TV turns on automatically. CLICK- he switches it off again- Annoyed yet scared. BZZZZ- Louder- it switches on again. This happens for a while.

Frustrated, he walks, holds the TV plug on the wall, pulls and unplugs it. Silence- He takes a deep breath.

Parched and thirsty. He gulps and as he takes a step, the TV turns on again with the radio static morphed with a faint voice.

The static in the TV morphs into a video of a priest performing and explaining the **Tarpana** ritual calmly.

TARPANA VIDEO (V.O.)

Tarpana- Namma pitru galige
maduva ondu mukya vada kriye

ADI (mutters)

Wa... What is happening?

PRIEST (*in TV*)

Tarpana madadidare mathra ne... Jala Prapti

Adi coughs. The priest in the TV performs the ritual.

PRIEST (*in TV*)

Iga Tarpana kriye sampornavagide... Jala praptirastu

He hears a breeze, turns and sees a bright light which glows on his face.

26. EXT. TULASI KATTE - NIGHT

He walks towards the **Tulasi katte** and notices a **brass tumbler** filled with water. He tilts it over his mouth and drinks the water completely. The water fills the tumbler magically. He drinks it. He smiles, cries, and sits under the katte.

ADI (*terrified*)

En agtide nange

A door opens behind him. Fog rolls. He sees Kriti and Ved standing under the spotlight.

ADI (*tears*)

Kriti... Ved

Ved, holding a card extends his hand towards Adi. Adi gets up and runs inside.

27. INT. THE VOID - UNKNOWN

PUFF! They disappear into thin air and the card flies and lands in the spotlight.

He picks up the card and looks at it. His face turns blank.

ADI

No! No! No! No!

He gets terrified and throws it away.

He spins and looks at Kriti holding Ved. Their faces begin to warp.

ADI *(desperate)*

Kriti... Ved...

Desperate, he falls to his knees. The air gets thick as more fog rolls in.

He smiles like a maniac- slaps himself- cries- laughs. Mixed emotions.

ADI

(smiles like a maniac)

(slaps his face)

Edhelu! Idella bari kans aste

(slaps again) Illa... Neen... neen kudidya

(slaps again) Huu... Mathre...

Idella aa mathre inda ne

Idella hallucinations... Idella brahma aste

(pulls hairs) Saaku malgid edhelo!

He covers his face with his palms. Crying, he curls into a fetal position. Abruptly- Sounds of chimes.

Through his fingers, he sees a door- glowing faintly with red rays.

He hears faint chants. He turns towards the chants and sees-

A massive **PYRE**, with a **SHADOWY PRIEST** sitting in front of it.

Low chants echo across the void. The priest lifts his head.

He has NO FACE- Only glowing eyes and a bold white glowing **Naama** on his forehead.

He throws **Bhasma** into the pyre- The flames roar.

FIRE TRANSITION:

His pupils dilate- He takes a step back and sprints out the door.

CUT TO:

28. EXT. RED FIELD - UNKNOWN TIME

Scared and terrified- Adi is running in an open wide field- A hellscape.

With two RED SUNS in the blood-colored sky and a swirling dark vortex spinning eating the space itself. The ground is red. The sky is red. The clouds are red. The thunder is red.

He runs and runs till he stumbles into a bush. He looks around and hides.

He is attentive. Gasping with quite heavy breaths. Slowly- A bunch of **Ghostly hands** appear behind him- Pale, translucent, eerie.

GRAB- The hands grip his face, arms and chest, smothering and gagging him.

A hand pulls his head backward, another grabs his face and another holds his arms and burns it.

Choking and struggling, with all his might, he grabs the hands over his face and rips it off, freeing himself. He gets up and sprints across the field.

As he runs, he turns back to have a looksee- BHAM! He tumbles into a huge tree in the middle of the field. Hits his face and falls to the ground.

A loud thunder jolts him up. He slowly stands up and looks around. In the distance- ghostly silhouettes shuffle like memories without bodies.

A soft voice echoes through the wind.

THE VOICE (O.S.)

(echoing with reverse reverb) Adi!

Adi turns towards the voice- Tears fill in his eyes.

It's his father- Calm with a soft glow. Standing with a welcoming smile.

FATHER (echoing)

Adi!

ADI (teary, weak)

Appa? En agtide nange?

FATHER (gentle)

Hedrubeda! Idu prakruthiya niyama!

A huge raven flies and sits on a branch of the tree.

Suddenly, **black sesame seeds** appear around Adi's mouth. Confused- He brushes them off, putting them on the ground. The raven flies and begins eating the sesame.

A loud thunderclap rips the sky. Adi breathes heavier. His stomach growls.

FATHER (smiling)

Hasiv agtidya maga?

CAMERA PANS up from his stomach to his face.

ADI (childlike, tearing)

Appa... Hasvagtide!

FATHER (smiling)

Asthu!

A purple, translucent being appears beside him - tall, divine, with golden armbands, and a radiant crown.

ADI (sacred)

Yaar neenu?

BEING (*calmly, divine*)
Naanu Vasu... Pitru Deva Vasu

Adi's stomach growls again.

VASU
Idu ninage!

Vasu lowers his hands and offers him a **ball of rice**. Adi hesitates- His stomach growls again. He takes it and eats it.

VASU
Nee ee lokakke seridavanalla
Nee illi baralu innu
ondu samvatsarada kalavide

ADI (*scared*)
Lokha! Yaav jaga idu?

Vasu disappears into thin air like vapor.

FATHER
Adi... il nodu

Suddenly, a ghostly hand slides down his shoulders from behind. He notices it.

FATHER (*louder*)
Adi... nanun nodu

Scared and shaking, Adi looks at his father.

FATHER
Kannu nan mel idu

Three scary pitru beings are standing behind Adi inspecting him.

FATHER
Hedrubeda! Naan nin jagadal al idaga
Nan thande nan jagadal il idru
Iga ninig naan il idini
Munde nin maguvige neen nanna jaga dal irtya
(*smiling*) Idu Prakruthi Niyama!
Bega sathya sveekaara madi... Horadu!
(*serious and concerned*) Ilandre ava elkond hogthane

Trembling and confused- Adi is looking at the ghost of his father. The father gives him a last smile.

FATHER
Adastu bega mathe siguva

The father slowly tilts his head and opens his mouth wide.

The father's eyes turn white, and a bright red flash erupts from his mouth.

The flash expands into a long red beam of light- Forming a portal. The portal comes closer and passes through Adi.

[DN: Plan-B is to transport Adi back to the void with a hit from a red thunder]

FLASH CUT TO:

Adi is now back in the void filled with purple fog lit with a bluish spotlight. He watches the red portal drift away, vanishing- As his head spins in confusion.

Ahead of him: a **large mirror** suspended in the air/ placed on the ground. Adi slowly walks towards it. He raises his hand- Slowly, trembling. His reflection mirrors him- But with a lag. Suddenly-

The reflection raises its hand and places it against the surface of the mirror inside. Terrified, Adi takes a deep breath and slowly places his hand against the cold surface of the mirror. CREAK! The mirror begins to crack and then- BOOM!!!

Like a cosmic explosion, the mirror blasts. Propelling Adi backwards in slow motion- SLOW CRASH ZOOM INTO HIS EYE as his pupils dilate.
